

ABOUT US

We are a comedy company. That's likely over-simplified, but it's cleaner than a long list of descriptors. We produce **Comedy Hack Day**, a collaborative explosion of creativity fueled by a community of amazing comedians, developers, and designers. We use the word "fun" a lot in these company bios, so come be our friend and see if we mean it.

October 2008
SEOnox launches Mozscape, a powerful and scalable crawl of the entire web.

February 2007

We launch PRO, a set of independent tools to help you do SEO.

2004
SEOnox is founded in Seattle, WA, by Rand and his mother, Gillian. Greatness ensues.

OUR MISSION

We believe that humor combined with slick design and a creative use of technology can make complicated ideas more understandable and products more fun. Our mission is to bring great ideas to life and help others do the same.

WHY CULTIVATED WIT?

Our company's name stems from the Roman poet Horace, who wrote: "A cultivated wit, one that badgers less, can persuade all the more. Artful ridicule can address contentious issues more competently and vigorously than can severity alone." Between that message and a shared vision of global conquest, we feel rather connected to the

Our Location

801 Rio Grande St.

OUR PROGRAMS

Our programs demonstrate a continued commitment to providing a well-rounded educational experience integrating academic, artistic, and practical disciplines. In addition to a rich academic curriculum, the students are taught two foreign languages, vocal and instrumental music, handwork, woodworking, blacksmithing, fine arts, drama, and sports and games from around the world.

FOR A GLIMPSE INTO OUR SCHOOL, WATCH OUR VIDEO

Young children have a mind of infinity. To them, play is work and work is play. At this young age, the children live strongly in their imaginative life and eagerly imitate the behaviors of those around them.

KINDERGARTEN

GRADE SCHOOL (1-8)

HIGH SCHOOL (9-12)

The high school student is ready to meet demands of complex and heightened cognitive capacities. The main lesson curriculum is designed to respond to the questions that are being asked by the developing adolescent.
